The Texas Department of Transportation needs your input to update the design for the SH 199 interchange with I-820. The study goals are to improve mobility, capacity, safety, and provide transportation options.

You can view layouts of the proposed project and visit with project personnel to answer your questions. The meeting will be an open house format, allowing visitors to come and go at their own availability.

If you have questions, comments or have special communication and/or accommodation needs, please contact:

Sam Yacoub, P.E., PMP | (817) 370-6560
Project Manager | sam.yacoub@txdot.gov

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

More information about this meeting can be found on the City of Lake Worth Texas Facebook page.
