WHO WE ARE:

We are Lauren and Molly.

We are 14 years old and are going into the ninth grade at Chisholm Trail High School.

We are Cadets and have been Girl Scouts since 1st grade.

OUR MISSION:

For our silver award, we decided to create a bookhouse. By creating this we could do three main things:

- 1. Cultivate the minds of our community**
- 2. Give people who don't have the ability to buy books on their own the opportunity to instead trade books with others**
- 3. to expand the love of reading in our community**
